There was some discussion on how much funding to request from the USDA for the cost of the snow plow equipment installation on the new truck. They will have the road foreman contact US Municipal to set up a date.

Next was an update on sewer system repairs. It was noted that Pipeworks is continuing with the repairs in the areas that have water infiltration. The secretary has notified NWMA as to the progress that has been made to date.

A fall clean-up would like to be scheduled for sometime in October. The garbage company has been contacted for an available date. This will be discussed at the next meeting.

Doug Smith made a motion for adjournment at 9:55 am. Linda Farnsworth seconded the motion. The vote was unanimous and the motion carried.

Sincerely,
